A party from Milton Keynes Torch Fellowship will be staying at the Green Dragon hotel from 24th to 31st July and will be having a time of worship each weekday morning, but have been unable to find a pianist/keyboard player or other musician to accompany their singing. They would like to know if a member of our churches might be able to help out by playing for them, for about an hour, from around 10.00 each morning. Unfortunately, the hotel doesn't have a piano or keyboard, so unless someone could provide that as well, they will try to borrow one from RNC. If you think you might be able to help, please contact the Parish Office.

As part of my gap year I am planning to go to Rwanda for 3 months - for this to happen I need to raise some funds so please look out over the next few months for more details of my planned visit, and fund raising events for you to hopefully support. In the mean time could you please start saving you 1ps as I aim to raise a mile of pennies - this alone should raise £844.80! If you don't have a jar to collect them in please let me know and I will provide you with one. Thank you, Amy Taylor
