

St Peter's and St James' Hereford
Prayer Focus February 2012

Looking to the future - part 1 - St Peter's

The generosity of God, and the warmth of the response of God's people in these churches, has encouraged us all throughout January.

On Feb 8th there is an open event to start on the detail of our work in the renewed building - with an expected opening weekend written in for May 6th

Please help us set up the right structures, and put in place the right pattern of events, to make the most of our "new" building at St Peter's.

And please come and join us at our open evening, to see what part *you* might be called to play in the weeks and months ahead.

Looking to the future - part 2 Youth, schools, families' and children's work

We also have an open evening planned for Feb 29th, to try to come to a common mind about where we believe the Lord is calling us as we rebuild our youth and children's work, and renew our schools' links.

It would be great to emerge with both a long-term vision and a short-term strategy, so that we can all be praying into the picture of where we wish to be; and we can concentrate our attention on the immediate steps that we believe God is calling us to make.

We ask for your prayers - and invite your participation.

Feb 4th Community Coffee St James'

For continued growth and fruitfulness

Feb 4th HOTS

The ecumenical Healing on the Streets project continues to witness in High Town each Saturday

Feb 7th Core Team

For clear vision for the year ahead, especially preparing for the church Annual Meetings in April
